## STEWARDSHIP BY THE BOOK

When Jesus asked the Samaritan woman for a drink of water, He opened for the door for a life-changing relationship with Him. Scripture says that her testimony drew many others to Him as well. We, too, must be ready to respond whenever and wherever the Lord speaks to us, and be prepared for it to change our lives.

## SUNDAY COLLECTIONS

**Last Weekend** \$ 4,311.  
**Weekly goal** \$ 5,200.  
**Weekly average** \$ 4,555.

## Stations of the Cross during Lent

The Stations of the Cross will be prayed on Fridays after the 9AM Mass and again in the evening at 7:30PM, and on Saturday mornings after the 9AM Mass.

## YOUR PRAYER PETITION BOX

Two boxes for your prayer petitions have been placed on the info tables for Eucharistic Adoration in the church vestibule and by the Divine Mercy image. Prayer for all your intentions will be included at the 3 o'clock hour of Adoration. You are invited to join in the Chaplet of Mercy at that time, and in the Rosary which follows. Can you make a Lenten commitment to one hour of Adoration in our chapel up by the tabernacle? Jesus is always waiting there.

## WORD OF LIFE

**W**e know from science that the moment of conception is a moment unlike any other. An amazing event takes place at the moment of conception. The union at the moment of conception constitutes an absolutely new and utterly exceptional moment of creation, the moment when a new, unrepeatable and irreplaceable human being comes to exist. This new human being has emerged, a vulnerable and unique self-directing self that never before was. It needs nothing but a safe place—the mother's womb—to grow and develop. After the moment of conception, this new human life will go through many stages and phases, none of which are as monumental as the one it has just emerged from: the moment of conception, the moment in which it began to exist. The science speaks for itself. The light of reason is clear.

Homily, National Shrine of the Immaculate Conception,

### PASTA DINNER THANK YOU

Last weekend's Parish Pasta Dinner was an enormous success, and we want to express our gratitude to the many people who shopped for food, helped set up tables, chairs, and place settings, those who helped serve the dinner, those who cleared the tables, and those who put away all the tables and chairs at the end of a wonderful evening.

There were prizes for the children as well as for the adults, and we thank the kind donors of the wine baskets, Giants and A's tickets, movie night tickets and candy, and ice cream and dinner tickets.

Fr. Ken Westray once again returned with a giant pot of his pasta sauce and oversaw the preparation of the main course, working behind-the-scenes to "feed the multitudes"!

Comments were heard at the conclusion to the effect that, despite the rainy weather, a good time was had by all.

We hope that those of you who were unable to attend will be able to take part at our next community-building and fund-raising parish event.

You may want to attend our "Whale of a Sale" parking lot sale on May 14 to either "sell your stuff" or find something interesting on sale from one of our vendors.

### CATHOLIC MARIN BREAKFAST CLUB

Msgr. John Talesfore, Pastor of St. Mary's Cathedral, will speak at the Catholic Marin Breakfast Club on April 1 after the 7AM Mass.

Ordained in 1989, Msgr. Talesfore served as Associate Pastor at St. Brendan's and St. Mary's Cathedral. In 1997, he earned a Licentiate in Sacred Liturgy from the Pontifical Liturgical Institute in Rome, and has served as the Director of the Office of Worship for the Archdiocese, taught at several local institutes, and was a columnist for Catholic San Francisco. Last year, he was given the title of "Monsignor". Now, as Pastor of St. Mary's Cathedral, he will give us an overview on the Cathedral's four decades.
